Re: 25th EPRA meeting in Prague

Dear Mr. Žák,

I would like to convey my warmest thanks to you, Vice-Chair Mr Pospíchal and all the members of The Council for Radio and TV Broadcasting for hosting the 25th EPRA meeting in Prague and making it such a successful event.

A special mention also goes to the entire staff of the Council and especially to Mrs. Vlasta Roskotova for her great dedication, efficiency and her attention to details.

Based on the feedback that myself and the EPRA Secretariat have received so far, I think that all members and observers will agree with me that the meeting was a great success: it was extremely well organised, the discussions were fruitful, the cultural events were particularly well chosen and very enjoyable, and the staff from the convention company extremely professional, friendly and helpful at all times.

I am convinced that all members and participants will have excellent memories of their stay in the magnificent setting of Prague. On a more personal note, I was delighted to be given the opportunity to discover the city in the springtime for my very last EPRA meeting.

Again, many thanks for your great hospitality.

Yours sincerely,

Joan Botella
Outgoing EPRA Chair
